Report of Activity

1	Title of Activity	One Day Seminar on "Carrier Opportunities on Artificial Intelligence(AI)"
2	Organizers of Activity	Department of Mathematics, Computer Science and Placement Cell
3	Date and Time	04/08/2025 and 11:00 AM
4	Activity Org. Under	PM-USHA Sponsored
5	ICT Tool Used	Projector, Powerpoint Presentation
6	Objectives	- To introduce students and faculty to the scope and potential of Artificial Intelligence (AI) in modern industries. - To highlight various career paths, academic opportunities, and skills required in the field of AI. - To motivate science students to enhance their technical knowledge and pursue AI as a career or research interest.
7	Outcomes	- Participants gained a clear understanding of various career paths in AI including Machine Learning, Data Science, Robotics, and Deep Learning. - Students became familiar with essential tools, programming languages, and platforms used in AI applications. - The seminar inspired participants to explore internship, project, and research opportunities in AI and allied areas.
8	Description of Activity	The Department of Mathematics, Computer Science, and Placement Cell of Dahiwadi College, Dahiwadi, under the sponsorship of PM-USHA, successfully organized a One Day Seminar on "Career Opportunities on Artificial Intelligence (AI)" on Monday, 4th August 2025. The event began at 11:00 AM and was held in the Karmveer Auditorium. The seminar began with a formal welcome and introduction to the objective of the event by Ms. P. R. Ingawale, who also introduced the esteemed resource person, Dr. Kabir G. Kharade, Assistant Professor, Department of Computer Science, Shivaji University, Kolhapur. Dr. Kabir G. Kharade has notable experience in AI research and education and has contributed significantly to curriculum development in emerging technologies. The seminar was presided over by Prof. (Dr.) S. M. Khetre, I/C Principal, and supported by Prof. (Dr.) B. D. Jadhav, Vice-Principal; Dr. V. B. Mamlayya, Placement Cell Officer; and Dr. S. B. Kumbhar, PM-USHA Coordinator. The event saw enthusiastic participation from B.Sc. I and III students (All Departments), BCA III students, and faculty members from the Faculty of Science. During the session, Dr. Dr. Kabir G. Kharade delivered an enlightening talk on various AI career opportunities, practical applications of AI in different industries, and guidance on how students can prepare for such roles through skill development, online certifications, and higher education. The session also covered current industry trends, future prospects, and AI tools and platforms. The seminar ended with an interactive Q&A session, followed by a formal Vote of Thanks delivered by Dr. A. S. Wadile, who acknowledged the efforts of the organizing team, dignitaries, and the enthusiasm shown by the students and faculty.

		The event was a great success, meeting its objectives and inspiring students to take steps toward a future in Artificial Intelligence.

NOTICE

The Department of Mathematics, Department of Computer Science, and the Placement Cell are jointly organizing a One-Day Seminar under the sponsorship of PM-USHA on the topic:

"Career Opportunities in Artificial Intelligence"

 **Date:** 04th August 2025

 **Time:** 11:00 AM

 **Venue:** Karmveer Auditorium, Dahiwadi College, Dahiwadi

This seminar aims to provide valuable insights into the growing field of Artificial Intelligence (AI), including career paths, industry trends, and the skills needed to succeed in this domain.

Target Participants:

- B.Sc. I (All Departments)
- B.Sc. III (All Departments)
- BCA III Year Students

All concerned students and faculty members are encouraged to attend and actively participate.

Letter of Appreciation

It gives us immense pleasure to put on record my sincere thanks to Dr. Kabir Kharade Assistant Professor, Department of Computer Science, Shivaji University, Kolhapur. For acted as Resource person and delivered talk on "One-Day Seminar on "Career Opportunities in Artificial Intelligence(AI)" held on 04/08/2025 organized by Departments of Mathematics, Computer Science and Placement Cell of Dahiwadi College, Dahiwadi.

Your expert guidance on the trends, skills, and future prospects in the field of Artificial Intelligence has provided valuable knowledge and motivation to our students and faculty members. Your practical insights and clear articulation of emerging opportunities in AI truly enriched the seminar and encouraged our students to explore this dynamic field further.

Looking forward to your continued association in future academic initiatives.

With warm regards.

AI

I think nothing to improve everything is great

No improvement needed everything was great

Yeah;

1. Make sure to use on the point sentences rather than super long speech
2. Overall presentation is very good no doubt but ,May need a little bit of guidance on how the program need to be represent by the students ; as this is for our further future
3. Time management
4. Point should be explain point to Key point in short but effective way , so that the knowledge you share may remind us about our future towards A.I

A thoughtful answer to "What did you like most about the seminar?" could focus on things like:

1. The Content:

"I really appreciated how informative and well-structured the seminar was. The topics covered were directly relevant to my interests and helped deepen my understanding."

2. The Speaker(s):

"The speaker was incredibly engaging and knowledgeable. They made complex concepts feel accessible and kept the audience interested throughout."

3. The Interaction:

"I liked how interactive the seminar was. There was plenty of room for questions and

discussion, which made it feel more personal and dynamic."

4. Practical Takeaways:

"What I liked most was the focus on actionable insights. I left with clear strategies I can apply right away."

5. Networking Opportunities:

"It was great to connect with others who share similar interests. The networking part really stood out to me."
