Subject- Permission to Conduct Career Counselling and Placement Cell Activities
on 04 March 2026

Respected Sir,

I respectfully request your kind permission to conduct two guidance sessions under the Career Counselling and Placement Cell on 04 March 2026 from 9.30 a.m. to 1.30 p.m. for the benefit of our students.

The details of the proposed programme are as follows:

1. **IT Career Guidance & Pre-Placement Preparation**

Time: 9.30 a.m. to 11.30 a.m.

Venue: C-5 Hall

2. **Basic Interview Skills for Freshers**

Time: 11.30 a.m. to 1.30 p.m.

Venue: A-21 Hall

These sessions aim to enhance students' career readiness, improve their employability skills, and prepare them for placement opportunities. The programme will be especially beneficial for final-year and pre-final-year students. I kindly request you to grant permission to organize the above activities and allow the use of the mentioned halls on the scheduled date and time.

Thanking you in anticipation.

Yours faithfully,

Dr. V. B. Mamlayya

8	Description of Activity	The PM-USHA sponsored activity titled "IT Career Guidance and Pre-Placement Preparation" was organized on 4th March 2026 with the objective of equipping students with the knowledge, skills, and confidence required to pursue successful careers in the IT industry. The program focused on bridging the gap between academic learning and industry expectations. The session was conducted by Mr. Vikas L. Raskar, Founder and Director of Rahitech Solutions, who served as the resource person. He delivered an in-depth session on IT career guidance, explaining various career opportunities available in the IT sector such as software development, data analysis, cybersecurity, cloud computing, and IT support services. He guided students on how to choose the right career path based on their interests, strengths, and current market demand. He also emphasized the importance of acquiring technical skills like programming languages, problem-solving abilities, and familiarity with modern tools and technologies. In the pre-placement preparation segment, Mr. Raskar elaborated on the complete placement process followed by IT companies. He provided practical guidance on resume writing, highlighting how to create an effective and professional resume that stands out to recruiters. He also discussed aptitude test preparation, including quantitative, logical, and verbal reasoning skills, which are crucial for clearing initial screening rounds. Furthermore, he trained students on interview preparation techniques, covering both technical and HR interviews. He shared tips on how to answer common interview questions, improve communication skills, build confidence, and maintain proper body language during interviews. He also stressed the importance of mock interviews, group discussions, and continuous practice to enhance performance. The session also included guidance on professional ethics, workplace behavior, and career growth, encouraging students to stay updated with industry trends and adopt a lifelong learning approach. A total of 63 students actively participated in the program. The session was interactive, with students asking questions and engaging in discussions, making the activity more effective and insightful. Overall, the program was highly informative and beneficial, providing students with a clear roadmap for entering the IT industry and preparing effectively for placement opportunities.

8	Description of Activity	The PM-USHA sponsored activity titled "IT Career Guidance and Pre-Placement Preparation" was organized on 4th March 2026 with the objective of equipping students with the knowledge, skills, and confidence required to pursue successful careers in the IT industry. The program focused on bridging the gap between academic learning and industry expectations. The session was conducted by Mr. Vikas L. Raskar, Founder and Director of Rahitech Solutions, who served as the resource person. He delivered an in-depth session on IT career guidance, explaining various career opportunities available in the IT sector such as software development, data analysis, cybersecurity, cloud computing, and IT support services. He guided students on how to choose the right career path based on their interests, strengths, and current market demand. He also emphasized the importance of acquiring technical skills like programming languages, problem-solving abilities, and familiarity with modern tools and technologies. In the pre-placement preparation segment, Mr. Raskar elaborated on the complete placement process followed by IT companies. He provided practical guidance on resume writing, highlighting how to create an effective and professional resume that stands out to recruiters. He also discussed aptitude test preparation, including <i>quantitative, logical, and verbal reasoning</i> skills, which are crucial for clearing initial screening rounds. Furthermore, he trained students on interview preparation techniques, covering both technical and HR interviews. He shared tips on how to answer common interview questions, improve communication skills, build confidence, and maintain proper body language during interviews. He also stressed the importance of mock interviews, group discussions, and continuous practice to enhance performance. The session also included guidance on professional ethics, workplace behavior, and career growth, encouraging students to stay updated with industry trends and adopt a lifelong learning approach. A total of 63 students actively participated in the program. The session was interactive, with students asking questions and engaging in discussions, making the activity more effective and insightful. Overall, the program was highly informative and beneficial, providing students with a clear roadmap for entering the IT industry and preparing effectively for placement opportunities.

Our current batch includes graduates from diverse disciplines such as [Science, Commerce and Arts], equipped with the skills and enthusiasm to contribute meaningfully to your team.

We believe this workshop will serve as a mutually beneficial platform for both your recruitment goals and our students' career aspirations.

We look forward to your participation and to building a fruitful association.
